

## LOGAN STIRRED BY KING'S WORDS

Democrats Hold Best Rally in History of Cache. ENTHUSIASM WAS GREAT PLAYS KEARNS AND REPUBLICAN ORATORS.

(Special to The Herald.)  
OGAN, Nov. 3.—Judge King closed the campaign in this city tonight. He was greeted by a splendid audience, one of the finest ever assembled here. It was an enthusiastic gathering, too, Mr. King being received in magnificent style, while his remarks were continuously applauded. The house was packed to the doors. County Chairman Fuller, presiding at the meeting and introduced Judge King, who, after paying an eloquent tribute to the ability of R. W. Young that was loudly applauded, entered into a discussion of the issues. He first took up the argument that a solid congressional delegation is needed to obtain anything for Utah from the national government. "If you think," he said, "that the Republican party is so mean, so ungenerous, so unfair as to demand that the people of Utah sacrifice their honest convictions to obtain their share of the spoils, you are the strongest indictment against it that can be brought. Such an argument is only used by cowards and scoundrels. Thomas Kearns stands in perfect harmony with the national administration, yet you cannot point to a single law whose passage he has secured. Name to me a single law for the benefit of Utah that Thomas Kearns has introduced."

**Reprehensible Methods.**  
Speaking of Republican campaign methods, Mr. King said: "I know men are going up and down this state whispering that in a sinister argument that cannot be met. If any man has arguments to offer why the people of Utah should vote for the Republican party, let him come in the daylight where we can see him and analyze his reasons. The Democratic party wants only fair play. (Loud applause.) Don't believe the story that Utah will be denied its rights if the state goes Democratic. Don't think that any sort of man will do to represent us in Washington, so long as he is a Republican. That is only an apology for Thomas Kearns. Why not elect a deaf and dumb man to go there? He wouldn't be able to bother any one else or be bothered by them." Taking up Kearns' statement that the Republican party passed the irrigation bill, he tore it to shreds, proving that it was in greater part a Democratic measure.

"A. B. Irvine went down into the south the other day," said King "and made the statement that unless we vote for the Republicans, we will receive none of the \$5,000,000 appropriated by the irrigation bill. He was herded as a good Latter-day Saint and son-in-law of the late George Q. Cannon. If I came here with such a recommendation I ought not to be permitted to speak. I do not believe in dragging the name of George Q. Cannon into it. It is dishonorable and unfair."

**Mercenary Arguments.**  
The mercenary policy of the Republican party was most eloquently and vigorously repudiated. "You can't take home some of the spoils of which we speak," "Every argument that Republicans present to you in this campaign is a mercenary one. You do not hear them mention the constitution, the Declaration of Independence, freedom, liberty or human rights. It is all commercialism, all argument intended to bolster up the cause of gold and greed. Democracy appeals to your nobler feelings and aspirations, asks you to assert your manhood and to stand for simple, plain, pure Americanism."

Judge King paused for a short time while Miss Greta Gordon rendered a solo which was loudly applauded. The Democratic club rendered three capital selections, after which Mr. King resumed his remarks.

He punctured the hard times arguments of the Republicans. The trust question was handled in a way that drew forth the most tremendous applause. Through the course of the evening was a lengthy one, enthusiasm was rampant, the audience cheering the speaker to the echo. The name of Kearns was mentioned several times and upon each occasion it was greeted with ridicule, jeers and laughter. Each time that the speaker made a reply at the judge's instigation, it encouraged him to continue along that line. When he apologized for putting his thumbs in his vest, saying, "Kearns is a patient man, that attitude," the house fairly screamed.

The audience gave the best of attention during the entire speech and when the speaker concluded his remarks, an ovation. It was the best political meeting the Democrats ever held here and its influence will be felt tomorrow.

**JUAB 300 DEMOCRATIC.**  
Judge Powers Closes Campaign at Eureka.

(Special to The Herald.)  
Eureka, Nov. 3.—The campaign was closed tonight with rallies by both parties. Two bands paraded the streets until the 8:30 train brought the speakers. The entire town turned out and Judge Powers, who spoke at Odd Fellows hall, was greeted by a splendid and enthusiastic audience that ever assembled in a political meeting here. The hall was packed from the lobby to the back of the stage and not a person left during the two hours of the meeting. The judge made an eloquent and forceful speech on the issues of the campaign and the conditions of the state. He denounced the candidates of the Democratic party in Juab county as gold and silver men, and said that the Democratic party in Juab county was a party of the future. He also spoke of the importance of the irrigation law and the need for a solid congressional delegation.

**FUSSY JIM IN PROVO.**  
Busy Man Attempts to Answer Rawlins.

(Special to The Herald.)  
Provo, Nov. 3.—State Chairman Anderson addressed a Republican audience in the opera house this evening on the Philippine question. He was assisted by Senator Rawlins' speech delivered in the senate. Mr. Anderson claimed that the speech was an attack on the Democratic party. He gave President Roosevelt the credit of the enactment of the irrigation law and told the people that a vote for the Democratic ticket was holding the president's administration up to ridicule. Mrs. Graham presided at the meeting. Mrs. Fannie Stewart, Jesse M. Harmon and Joseph W. Dunn also spoke. Music was furnished by Eshard & Tyne Bros. quartette and the Juvenile Mandolin club.

**Talked For a Long Time.**  
(Special to The Herald.)  
Park City, Nov. 3.—A very large but not over enthusiastic Republican rally was held in the Dewey theatre here tonight. Chairman Henry

deed for the first speaker of the evening. Senator Thomas Kearns, who discussed at considerable length the Philippine question, C. S. Kinney was the next speaker. He introduced the expansion. George A. Smith talked for a long time on the Philippine question. Elmer B. Jones was the last speaker and talked for a long time on reciprocity. The Park City military band was in attendance and rendered some very enjoyable music after the very dry addresses delivered by the four speakers.

**BOX ELDER IN DOUBT.**

Probability Republican Majority Will Be Overturned.

Willard City, Nov. 3.—As the political campaign draws to a close interest increases and every day the Democrats are more confident of the result and the Republicans more apprehensive. The Democrats almost certainly think a Democratic victory is a foregone conclusion and it is generally conceded that a majority of the county officers will be Democrats, although a month ago our opponents claimed everything.

The county is supposed to be in the Republican column, but owing to the superiority of the ticket, nominated by the Democrats, and the campaign they have conducted they are gaining in strength.

The campaign closed in Willard with a rally in the opera house tonight, with James H. Noyle of Salt Lake City as the principal speaker.

**Afraid of Thurman.**  
(Special to The Herald.)

Nephew, Nov. 3.—The campaign was closed tonight with meetings by both parties. A. R. Thurman, who addressed the Democratic rally, challenged A. B. Irvine and D. O. Ridout, the Republican speakers, to a joint discussion. They declined hurriedly and forcibly. The Democratic meeting was a big one and full of enthusiasm.

**KILLED BY LADRONES.**  
Superintendent Montgomery Is Waylaid Near Bacolod and Quickly Dispatched.

Manila, Nov. 3.—D. C. Montgomery, superintendent of schools, was waylaid by three men on Friday near Bacolod. Mr. Montgomery was going to Bacolod for a conference with the local school superintendent and to assume control of the division. He had a large sum of money with him. Six natives armed with bolos and spears attacked him and his attendant, quickly killed him and then mutilated and robbed him. The constabulary have offered a reward for the capture of the criminals. It is thought they will be captured. Robbery is understood to have been the motive for the crime. This is the first instance of a crime in the Philippine islands being harmed while in discharge of his duty. Mr. Montgomery leaves a widow, who is a teacher in the island of Negros.

Washington, Nov. 3.—Mr. Montgomery was a resident of Lexington, Neb., and sailed for Manila on the transport Thomas, July 23, 1901. The war department has received confirmation of his death.

Lexington, Neb., Nov. 3.—D. C. Montgomery was a resident of Lexington, Neb., and his last home was at Wayne, Neb. Just after he was appointed to the service in the Philippines he visited his sister here.

**THE RESULT DOES NOT JUSTIFY THE EXPENSE**  
Washington, Nov. 3.—The United States supreme court today dismissed, on the ground of no federal question involved, the writ of error in the case of Michigan, involving the constitutionality of the Bland-Allison coinage act of 1876. The case arose out of a refusal on the part of Baker, to whom Baldwin owed \$28, to accept a check drawn by Baker on the United States treasury. The case was decided in Baldwin's interest by the supreme court of Michigan, and Baker brought it to the United States supreme court on a writ of error. The court, however, declined to enter into the merits of the controversy, in simply said: "As our judgments over the judgment and decrees of state courts, which the validity of statutes of the state is in question, can only be exercised under section 709 of the revised statutes, when the decision is against the validity of the writ of error cannot be maintained."

**MAKE COAL TRUST AN ISSUE**

Two Boston Candidates Call on the United States Attorney.

Boston, Nov. 3.—As the result of an election in the campaign in the Tenth congressional district, Messrs. William W. Towle and William S. McNary, respectively the Republican and Democratic candidates for congress from the district, have addressed a petition to the district attorney for Suffolk county, asking for an investigation of the local coal trust. The ground that there is in Boston some of the most important persons which has bought, or contracted for, or is about to buy, coal from the district attorney for the use of the people in said city, and is now compelling the district attorney to investigate the same. Mr. Towle and Mr. McNary visited the office of United States District Attorney George F. Davis, and asked him to take action in the matter.

**Cancerous Ulcers**  
At first have nothing to indicate their true nature. They look like ordinary sores and are usually treated as such, some simple salve, wash or powder being used in the hope of drying them up and stopping the discharge; but while the place may temporarily heal over, it again inflames and festers, becoming as bad or worse than ever. After awhile the deadly poison begins to eat into the surrounding flesh and the sore spreads with frightful rapidity. Then the sharp shooting pains, which distinguish the cancerous from the common ulcer, are felt, and the unfortunate patient is brought face to face with the most dreadful of all maladies.

Whenever an ulcer of any kind is slow in healing it should be closely watched, particularly if there is an inherited predisposition to cancer. Often times a malignant, stubborn ulcer starts from a boil, wart, mole, bruise, blister or pimple, or when the blood is tainted and the germs and seeds of cancer are implanted in the system, you cannot tell when nor where the deadly poison is going to break out.

S. S. S. cures these cancerous and chronic sores, by driving out of the system all the morbid and unhealthy matter that keeps the ulcer irritated and discharging. It purifies and strengthens the blood, enabling it to throw off the germs and seeds of cancerous poisoning, thus checking the further formation of cancer cells, and when all impurities have been removed from the blood and system the ulcer heals naturally and permanently.

All ulcers, even the smallest, should be looked upon with suspicion and treated promptly before they become cancerous. S. S. S. is a purely vegetable remedy, a perfect blood purifier, and an invigorating tonic. Write for our free book on Cancer.

**Result in Illinois Depends Upon the Vote in Chicago.**

Chicago, Nov. 3.—The Republicans claim that in tomorrow's state election the Democrats will have nineteen congressmen and more than twenty-five congressmen and more than enough members of the state legislature to elect the United States senators. The Democrats claim that they will have a few more than a majority at the joint ballot, while the Republicans assert that there is no doubt whatever of their ability to control the state assembly by a majority of at least a dozen or fifteen votes. Of the twenty-five congressmen to be elected in the state, the Republicans claim that they will have sixteen for sure, and feel confident of getting twelve more.

## DEMOCRATS IN FIGHTING TRIM

(Continued from Page 1.)

Rahm and Livernash in the Fourth is exceedingly close owing to the large labor vote, the entire district being included in San Francisco.

**DOUBTFUL IN KANSAS.**  
Topeka, Kan., Nov. 3.—Kansas tomorrow will elect a full state ticket, including eight congressmen. Both Democratic and Republican chairmen profess their confidence in complete success at the polls.

A non-partisan view of the situation tonight makes it appear that the Republicans will elect the state and congressional tickets. The Democrats, on the other hand, are almost sure to make gains in the legislature. They have been devoting most of their efforts to this during the closing weeks of the campaign. They have taken advantage of the division existing between the Republicans in certain counties as a result of the senatorial contest, and think the chances are good for them to carry the lower house.

In Topeka the local interest is at fever heat, being centered on the contest for county officers inaugurated by the temperance division against the regular Republican candidates.

**IN MINNESOTA.**  
Democrats Say They Will Down Governor Van Sant.

St. Paul, Nov. 3.—Both Republican Chairman Jamison and Democratic Chairman Buck were very sanguine, and each gave figures in support of its contention. William Lindsay, chairman of the Republican state committee, said that the Republicans in certain counties as a result of the senatorial contest, and think the chances are good for them to carry the lower house.

The betting is even on Dixon and Evans and slight odds are given on Holloway. The outlook is for a heavy vote.

**ADDICKS OUT OF IT.**  
No Chance For the Gas Millionaire in Delaware.

Dover, Del., Nov. 3.—Es mates from various sources tonight indicate that J. Edgar Addicks will be unable to carry the new legislature. William Byrne, the union (Addicks) Republican nominee for congress, predicts a combined Republican majority in the legislature, with the ultimate election of two Republican United States senators. The regular Republican and Democratic leaders, however, dispute the figures and assert that not only Mr. Byrne would not carry the legislature, but that the Addicks faction would preclude the possibility of Addicks' election to the United States senate.

**LANDSLIDE IN NEW YORK.**  
Coler's Election Predicted by a Majority of 50,000.

Rochester, N. Y., Nov. 3.—Frank Campbell, chairman of the Democratic committee, who left here today, was asked if he had anything further to add to his statement that the Democrats would gain 35,000 plurality for Coler, and said:

Since my return home I have information which, in my opinion, means that Mr. Coler will be elected governor by a landslide. The indications are that the election tomorrow will be a landslide for the Democratic state ticket, and I believe the majority of Mr. Coler's plurality reached 50,000."

**MAY GO EITHER WAY.**  
Democrats Do Not Give Up Hope in Indiana.

Indianapolis, Ind., Nov. 3.—Senators Fairbanks and Beveridge, who have delivered speeches in nearly every county in Indiana, tonight claim that the Democrats will carry the state by a majority of 30,000.

The coming legislature will select a senator to succeed Senator Fairbanks, and if the Democrats carry the state, they will elect a senator to succeed Senator Fairbanks, and if the Democrats carry the state, they will elect a senator to succeed Senator Fairbanks.

**PARTY DIFFERENCES.**  
Republicans Seem to Have Thrown Wisconsin Away.

Milwaukee, Wis., Nov. 3.—While the chances seem to greatly favor the success of the Republican state ticket tomorrow, party differences are expected to cut quite a figure on both sides. Especially is this the case among the Republicans, who have been practically divided for two years. Mayor Ross appears to be confident of being elected by anywhere from 12,000 to 17,000 plurality, and General George F. Bryant, chairman of the Republican state central committee, estimates Governor La Follette's plurality at 40,000.

**PROSPECT IN NEBRASKA.**  
Even Break on Congressmen, Governor in Doubt.

Lincoln, Neb., Nov. 3.—Final claims of political parties on the result tonight were made tonight. Chairman Lindsay, for the Republicans, said: "We will elect six congressmen, the entire state ticket and two-thirds of the legislature."

Chairman Hall, for the Democrats, said: "We are going to elect W. H. Thompson governor by a plurality of 10,000. We will not lose a single one of the fusion congressional districts, and are going confidently on the election of Stark, Robinson, Shallenberger, and Barry. We will be disappointed if we do not control the lower house of the legislature."

**HOPING AGAINST HOPE.**  
Republicans Profess to Have a Chance in Missouri.

St. Louis, Mo., Nov. 3.—The real contest in Missouri apparently over the legislature, the Eleven congressional districts in the city of St. Louis and the city itself. Republican State Chairman Alkins says the legislature will be very close, but Republican on joint ballot. Democratic State Chairman Rothwell claims the state by 30,000 plurality and a majority of thirty in the legislature. He also claims fifteen out of the sixteen congressional districts.

A strong fight has been made on Putnam, Twelfth (St. Louis) district, but the indications tonight strongly point to his election.
